ORDER:

In the reference 1st read above the Hon'ble Chief Minister during the meeting held on 13-10-2017 with Hon'ble Minister for Food and Civil Supplies and officials of CS Department, has directed to mill the Redgram available with A.P. Markfed and distribute it through PDS at a price acceptable by the consumers so as to exhaust the redgram stocks held by the A.P. Markfed.

2. In the reference 2nd read above, The Vice Chairman & Managing Director, A.P. State Civil Supplies Corporation, Vijayawada has furnished the following auction to exhaust the Redgram stocks available with A.P. Markfed.

3. As of now, the Redgram dall is being distributed to Angawadi Centres of WD & CW Dept., and tribal population in Tribal areas of A.P. State from out of the stocks of 10,500 MTs of imported un-milled Tur (Redgram whole) which was purchased from MMTC, a GOI agency at a cost of Rs.40/- per kg and the resultant dall is being utilized after conversion.

4. The card strength in A.P., is 1.43 crores and at a scale of distribution of 1 Kg dal per card, the consumption of dal per month would be 14,300 MTs. With the addition of ICDS requirement of about 700 MTs per month, the total requirement would be 14,700 MTs per month @ 100 % lifting by the consumers. The equivalent of un-milled Tur would be 22,970 MTs. However, to liquidate the stocks expeditiously, it may be allowed upto 2 Kgs of Redgram dall per BPL card. At this scale of distribution and at 50 % of off take by the consumers, the equivalent un-milled Tur dall would be the same ie., 22,970 MTs per month. At this rate the existing stocks with A.P. Markfed will be liquidated in 4 to 5 months.

5. The GOI is offering un milled Tur @ Rs. 40 /- per Kg which can also be adopted by A.P. Markfed. The subsidy for A.P. Markfed will be met as per the directions of the Hon'ble C.M., communicated in the Minutes of the meeting.

6. The Prices of Redgram dall are ranging from Rs.70/- to Rs.80/- per Kilogram basing on the grade/quality in the open market and keeping in view of above price, a price of Rs.40/- per Kg as end consumer price is reasonable so that the consumers will be attracted to buy them. At the end consumer price of Rs.40/- per Kg., A.P. Markfed cost of Rs.40/- per Kg and at a recovery of percentage of 64, the economic cost of the processed Redgram dall comes to Rs.63.75 per Kg. After FP Shop dealer's commission of Rs. 0.55 ps per Kg., a subsidy of Rs.24.30 per Kg is involved and if it is calculated on the available stocks about 84000 MTs in A.P. Markfed, it comes to about Rs.131 crores on resultant dall of 53,760 MTs. Hence,

the State Government has to approve and release Rs.131 crores as subsidy on Redgram to APSCSCL.

7. In the light of the above, the V.C. & M.D., APSCSCL., has furnished the following proposals for approval:

i) The purchase cost of un-milled Tur from A.P. Markfed to be fixed at Rs.40/- Kg.

ii) The end consumer price of dall to be fixed at Rs.40/- per Kg.

iii) The scale of distribution to card holders to be fixed @ Kgs 2 per BPL card.

iv) Approval and release of subsidy amounting for Rs.131 Crores for the entire operation and for the present financial year Rs.71.44 crores.

8. Government after careful examination of the entire proposal, hereby accord approval to Purchase 84,000 Mts Red Gram Dall (whole) available with the A.P. Markfed @ Rs.40/- per KG and distribution of Redgram Dall through Public Distribution system @ Rs.40/- per KG as end price to the BPL card holders at the scale of distribution is @ 1 Kg per card holder and release of Rs.131 crores towards subsidy to the Andhra Pradesh State Civil Supplies Corporation Ltd., further to increase the Fair Price Shop dealers commission from Rs.0.55 Ps to Rs.0.70 ps per Kg for encouraging Redgram Sales in Fair Price Shops in Andhra Pradesh.

9. The Commissioner of Civil Supplies, A.P., Vijayawada shall take necessary action in the matter.
